

PROGRAM IN ENERGY LITERACY

Contact Information

Undergraduate Program Coordinators:

- Suzie Long, Dean (Janssen Engineering Bldg. 124; 208-885-7030)
- Gabriel Potirniche, Associate Dean (Janssen Engineering Bldg. 125J; 208-885-40499)

Overview

The Energy Literacy Certificate at the University of Idaho offers undergraduates in any major the tools to join the workforce as a business-savvy energy consumer and decision maker. Required coursework instills common, fundamental concepts of energy and economics. Elective courses selected from many emphasis areas offer flexibility to support individual majors, goals, and interests.
