Elective Course		1
Hours		13
Total Hours		120

The degree map is a guide for the timely completion of your curricular requirements. Your academic advisor or department may be contacted for assistance in interpreting this map. This map is not reflective of your academic history or transcript, and it is not official notification of completion of degree or certificate requirements. Please contact the Registrar's Office regarding your official degree/certificate completion status.

1. Students will demonstrate an understanding of how countries act and interact with each other in the international system through application of their individual domestic programs/foreign policies in intergovernmental organizations.
2. Students will demonstrate an understanding of major patterns in culture, geography, economics, and politics in their target region.

3. Students will demonstrate an understanding of the role and importance of Non-Governmental Organizations (NGOs) in global governance and the major patterns of cooperation with states, intergovernmental organizations, businesses, and other civil society organizations.
4. Students will demonstrate an understanding of major patterns in the way developed and developing nations, intergovernmental organizations, nongovernmental organizations, and/or business interests relate to their target issue emphasis.
5. Students will demonstrate evidence of critical thinking skills.
