

# BIOETHICS UNDERGRADUATE ACADEMIC CERTIFICATE

Bioethics addresses moral, social, and political issues in the life sciences. The Bioethics Certificate prepares students for difficult decision-making both as potential producers and consumers of science and medicine. Coursework includes training in basic and more advanced ethics and the structure of scientific research and theory, including the appropriate role of values in science.

All required coursework must be completed with a grade of C or better (O-10-a (<https://catalog.uidaho.edu/general-requirements-academic-procedures/o-miscellaneous/>)).
